

ART & PHOTOGRAPHY

Curriculum Intent	The curriculum is designed to engage, inspire and challenge students, equipping them with the knowledge and skills to experiment and create their own works of art, craft and design enabling all students to achieve regardless of ability.
KS3 Curriculum	The curriculum allows students to explore and experiment with a range of techniques / skills in preparation for KS4. Projects include SMSC values.
KS4 Curriculum	The curriculum allows students to develop projects that are personal to them allowing students to express themselves / show their identity through their work whilst meeting the assessment objectives set by AQA.
