

Enrichment Days

Enhancing student experience and the cultural capital of our students is something we believe is vital to ensuring our students leave confident, well rounded and knowledge citizens ready to take their place in society. Three enrichment days take place across the academy each year.

Themes include;

SMSC (Spiritual, Moral, Social and Cultural) for example Historical and geographical field trips.

PSHE (Personal Social and Health Education)

CEIAG (Careers Education, Information, Advice and Guidance)

Enterprise

STEM (Science, Technology, Engineering and Maths)
