

### Home Learning for Wednesday 5<sup>th</sup> July 2023

Please find below instructions for the completion of work for Years 8 and 9 during the partial closure of the Academy due to the industrial action on Wednesday 5<sup>th</sup> July 2023. We are very keen to minimise as far as possible the disruption to your child's education during these days. It is therefore essential that the work below is completed. Rewards will be issued for students who demonstrate our values of **responsibility**, **excellence**, and **commitment** by completing the work to an exceptional standard.

#### Instructions for Home Learning Tasks

**Complete the following tasks for each of the four subject areas.**

1. Complete any outstanding homework for the subject.
2. Using knowledge organiser pages, produce a set of notes using "look, cover, write and repeat" focusing on the topic specified below for each subject. Minimum should be 1 page in the notebook.
3. Go to the United Learning Continuity Oak platform [Curriculum - Curriculum \(continuityoak.org.uk\)](https://Curriculum-Curriculum(continuityoak.org.uk)) and complete a lesson on the topic specified below for each subject. Use the navigation buttons on the left-hand side to select the subject or use the search bar at the top of the page.
