Live Learning!

Brilliant! Your teachers are really pleased to see so many of you attending your live lessons. It's great to see you all in lessons and we have seen that those students who attend live lessons go on to produce high quality work afterwards.

Blended Learning

Even though live lessons are taking place for all year groups, work is still being set to be completed at home. This work will be set by teachers during your live lessons. In some where you do not have live lessons you will be set recorded lessons and work using online platforms.

Check the live lessons timetables below. In some cases there have been small changes to help the timetable run smoothly.

Make sure you are signed in to your MS Teams account before your lesson and check you emails for instructions from your teachers.

Race to the Summer Break

Thank you everyone for the continued support it's great to see more students and families getting involved. Make sure you send an email to Mrs Breen with what you have done and how many miles you have walked, run or cycled.

We would love to raise more money which will be used for rewards for students in the Autumn term. Here is our just giving page https://www.justgiving.com/crowdfunding/salfordcity-academy? utm term=zxdwKZ598

At the time of going to print we were last seen travelling through Russia (It's a big place, we definitely need to push the miles this weekend to reach our next destination!).

The staff at the Academy are really backing the campaign and have been seen this week tackling personal challenges, travelling to school on bikes in the rain and our very own Mr Rashud ran his second marathon in a week around the school playing field!

		Claire Batey is a UK based photographer from the North East. She is a documentary photographer who captures people in their everyda surroundings.

Task: Inspired by Claire Batey use your phone to photograph people in your home during lockdown. Don't get posed / staged photographs. Photograph people doing everyday things like washing the pots, watching TV, eating, playing etc. Edit your image to black and white if you can. Once you have chosen your favourite photograph email it to Ms Braidwood vanessa.braidwood@salfordcity-academy.org

There will be a prize awarded for the lucky winner. Please submit your photograph via email to Ms Braidwood no later than Friday 10th July. Winners will be announced the following week. Good luck!

Competition is open to all year groups.
