How to Revise

- The following strategies are our recommended revision techniques at Salford City Academy.
- Select the technique you feel works best for you and the subject you are studying at the time.
- You can use a combination of all three or select the one or two strategies that you prefer.

FLASHCARDS

They helps us to:

- Self-test
- Aid memorisation
- Chunk down information

We use them for:

- Memorising key facts, dates, formulae, vocabulary.
- Linking images and vocabulary
- Spaced retrieval

CORNELL NOTES

They help us to:

- Organise information
- Write notes in a structured format
- Summarise information

We use them for:

- Taking and reviewing notes
- Recalling information

MIND MAPS

They help us to:

- Stay organised.
- Remember things visually
- Write less

We use them for:

- Linking information
- Representing ideas visually
- Selecting key information
