Dear parent/carer

We are looking forward to welcoming our new Year 7 students and hope that you and your family have enjoyed a wonderful summer break.

We are delighted to be celebrating our highest-ever number of students achieving strong passes in GCSE Mathematics and English. This success reflects the dedication of our students and staff, and we are excited to build on this achievement as we begin another fantastic year. We look forward to supporting all our students as they return and embark on the exciting journey ahead.

Please read our SCA Parent Handbook for all of the information you will need to get ready for September. A link to the handbook and some key points have been provided below.

- In the meantime, if there are any questions around your child starting with us please contact school so that we can help.

We look forward to welcoming you and your family to our Academy, and for a brilliant first year of secondary school.
