Join our community Facebook group to stay up to date with our latest events and services! It's also a fantastic way to connect with like-minded people and share local resources.

SCA COMMUNITY HUB

In 2024 Salford City Academy launched as a Community Hub. We offer events, activities and services to benefit our community. Whether you're a student, parent, or valued member of our wider community, we're here to give support.

At Salford City Academy, our care extends beyond the classroom, we're committed to standing by every member of our community.

Read inside to hear about what we have been working on, and what exciting things we have coming up.

Meet Our Community Team:

The SCA Community Hub started in November 2024. Our aim is to help our local community grow, stay strong, and feel supported. Our Hub offers different types of support, fun events, and activities for everyone. Even though the Hub is based at Salford City Academy, it's not just for students – it's for everyone in the community, no matter your age. **We believe that communities are stronger when people work together.**

Regular Activities:

Food Stall

Join us every Wednesday from 3:15pm to 4:00pm outside Salford City Academy. Come and meet our friendly student volunteers, pick up any essentials you may need, and find out more about the support available in the local community.

Stay & Play

Our lovely Stay & Play sessions take place every Wednesday from 9:15am to 10:30am during term time. Enjoy a chat with our Community Lead, Sarah, meet other local parents and carers, and let your little ones play and explore in a friendly environment. These sessions are open to everyone and are designed for children aged 0 to 4 years.

Spotlight: The Community Library

We launched our Community Library in December 2025 as part of our Brookhouse Santa Trail. Everyone is welcome to browse the books, take one home to enjoy, or leave a book for others to discover. Feel free to make use of the seating area too. It's a great place to relax, have a chat, and connect with others in the community.

Brookhouse in Bloom

As part of our Brookhouse in Bloom project, students worked with a local artist to create colourful flowers from recycled plastic, helping to brighten the area and promote sustainability. We were also supported by a fantastic team of volunteers who helped plant beautiful flowers throughout the space, creating a more vibrant and welcoming environment for everyone to enjoy.

Get Involved: Become a Community Hero

We invite parents of SCA students and local community members to join Sarah for a monthly meeting to discuss upcoming events at Salford City Academy and across the local area.

These informal sessions are an opportunity to share ideas for future activities, explore ways we can continue to support our community, and find out how you can get involved in helping at events.

Our next meeting will take place on Monday 19 October, from 4:00pm to 5:00pm.

If you would like to join us, please email Sarah at sarah.johnson@salfordcity-academy.org

Everyone is welcome, and we would love to hear your ideas!
