SCA COMMUNITY HUB

Last year, Salford City Academy launched as a Community Hub. We offer events, activities and services to benefit our community. Whether you're a student, parent, or valued member of our wider community, we're here to give support.

At Salford City Academy, our care extends beyond the classroom, we're committed to standing by every member of our community.

Read inside to hear about what we have done in our first year, and what exciting things we have coming up.

STEP TOGETHER

"Step Together" is our community programme created to support and connect people of all ages. From our 'Stay and Play' sessions for toddlers and babies, to our Senior Christmas Lunches, we're committed to bringing joy and meaningful experiences to every member of our community.

Salford City Academy - Community Hub

Join our community Facebook group to stay up to date with our latest events and services! It's also a fantastic way to connect with like-minded people and share local resources.

Meet Our Community Team:

The SCA Community Hub started in November 2024. Our aim is to help our local community grow, stay strong, and feel supported. Our Hub offers different types of support, fun events, and activities for everyone. Even though the Hub is based at Salford City Academy, it's not just for students – it's for everyone in the community, no matter your age. **We believe that communities are stronger when people work together.**
