# COLLEGE BUS SERVICE

We have provided college transport for a number of years. The bus drops you off outside the college that you are studying at and will collect you at the same point each day. Using the College Bus Service provides you with a safe and direct journey to college with your friends. All of the services are on modern and comfortable coaches and will run every day during term time.

At the moment we are busy planning how we will implement social distancing on our buses, but make sure to check our website for more information that will be coming soon.

In the meantime, you can find out about the routes that the buses take on our College Bus Service Brochure.

# ENROLMENT

We are still finalising dates for our enrolment period this year, however you can expect to enrol around the 20 August.

When it comes to enrolment, don't worry if you haven't got the grades you were hoping for. Our enrolment team will help you along the way and find you the right course for you.

Make sure to follow our social media accounts for more updates on Enrolment 2020.

# BURSARY

We have a range of financial support options available for our students. If you have any enquiries about bursaries, then contact [enrol@salfordcc.ac.uk](mailto:enrol@salfordcc.ac.uk)

# YEAR 11 PRE-ENROLMENT LEARNING PACKS

Before you join the college in September, we want you to begin to develop your skills. We have therefore produced a range of activities for you to complete over the summer. Don't worry if you get stuck on anything or find it difficult, just try to complete as much as you can.

These pre-enrolment packs can be found on our website at [www.salfordcc.ac.uk/pre-enrolment-tasks/](http://www.salfordcc.ac.uk/pre-enrolment-tasks/). Make sure to send them to [admissiontasks@salfordcc.ac.uk](mailto:admissiontasks@salfordcc.ac.uk) and bring them with you to enrolment in August.
